

Child/Youth's Name:	Date of Birth (dd/mmm/yyyy):
School Name:	Class/Grade:

A. Reason(s) for Referral

- Motor Speech
 Articulation/Phonology
 Fluency
 Resonance
 Voice

Please complete relevant sections below.

Please Note: Speech and language report with clinical details must be submitted for referral to be processed.

- SLP report attached OR
 SLP report expected: (MM/YYYY)

B. Motor Speech

- Mild
 Moderate
 Severe

Oral-Motor Functioning:

- Difficulty Sequencing
 Imprecise Speech
 Limited Syllable Shape
 Effortful Groping
 Vowel Distortion

C. Articulation/Phonology

- Mild
 Moderate
 Severe

Articulation Errors:

- Lisp (interdental, lateral)
 Single Sound Error
 Vowel Distortion
 /r/ distortion

Phonological Processes:

- Fronting (t/k; d/g)
 Weak Syllable Deletion
 Omissions
 Cluster Reduction
 Final Consonant Deletion
 Backing (k/t; g/d)
 Stopping (t/s; t/f; t/sh)
 Deaffrication (exclusive of stopping)
 Initial Consonant Deletion
 Gliding
 Other speech error(s):

D. Fluency

- Mild
 Moderate
 Severe

Dysfluencies Observed/Reported:

Secondary Characteristics:

E. Voice/Resonance

- Mild
 Moderate
 Severe

Voice quality/pitch/intonation/volume: WNL Concern:

Post-surgical: Yes No

→ If "Yes", please indicate date of surgery and type:

Please Note: If the referral is for voice or resonance, the child MUST be referred to an ENT.

F. Speech clarity in connected speech:

- Mildly impacted (Intelligible most of the time >80%)
 Moderately impacted (Intelligible 50-80% of the time with careful listening and known contexts)
 Severely impacted (Unintelligible >50% of the time, even with familiar listeners and known contexts)
 Speech more unintelligible than would be expected based on results of single word articulation tests

G. Additional Support

*Will the school board speech and language pathologist be involved? Yes No

If "Yes," indicate the services to be received and from whom:

Referral Source (Name and Position):	Date (dd/mmm/yyyy):
