KidsInclusive | EnfantsInclus

Connecting families with child & youth
development services

Are you concerned about your child's ability to:

move around

perform daily
activities such as
feeding/eating

understand other
people or tell people
what they want

get along with
others or participate
in activities

SmartStart Hub focuses on:

conversations about
your child's strengths
and needs

connection to
appropriate local
services and supports

sharing information
to help you support
your child

respect for your
family's individual
needs

Eligibility

Birth to 18 (or 21 if in school)
