

Dear Potential Sponsor:

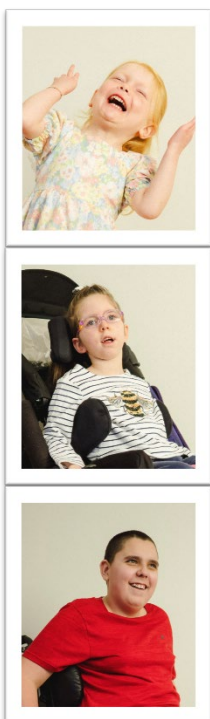

For more than a decade, the annual **Kilometers for Kids – Run • Walk • Roll for KidsInclusive** has brought our community together to support children and youth with physical, neurological, and developmental disabilities. Thanks to generous partners like you, this event has raised over **\$300,000** to benefit KidsInclusive and the families we serve.

We are excited to invite you to be part of this incredible tradition by sponsoring the **29th annual Kilometers for Kids – Run • Walk • Roll for KidsInclusive**, taking place on **Saturday May 30, 2026!**

KidsInclusive is proud to be one of Ontario’s 21 Children’s Treatment Centres, with locations in Brockville and Kingston. We provide essential services for children and youth living with conditions such as cerebral palsy, autism, and other developmental challenges. Funds raised through this event help us to:

- Assist families with the exceptional costs of raising a child with special needs
- Purchase specialized equipment
- Support advanced education and training for staff
- Launch innovative programs

We offer a range of benefits designed to showcase your commitment to KidsInclusive. Thank you for considering this partnership.
